

How to make an Origami Boat

February 22, 2022
Facilitated by Ammar Naseer

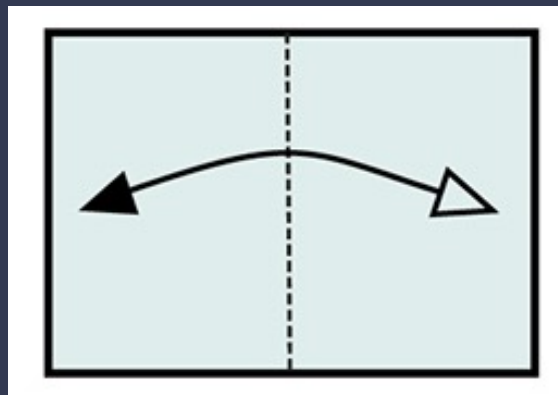

STEP ONE

Fold in half along the long edge

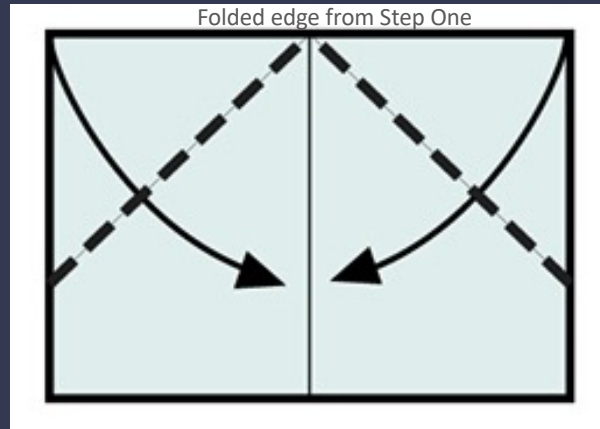

STEP TWO

Fold in half again and unfold

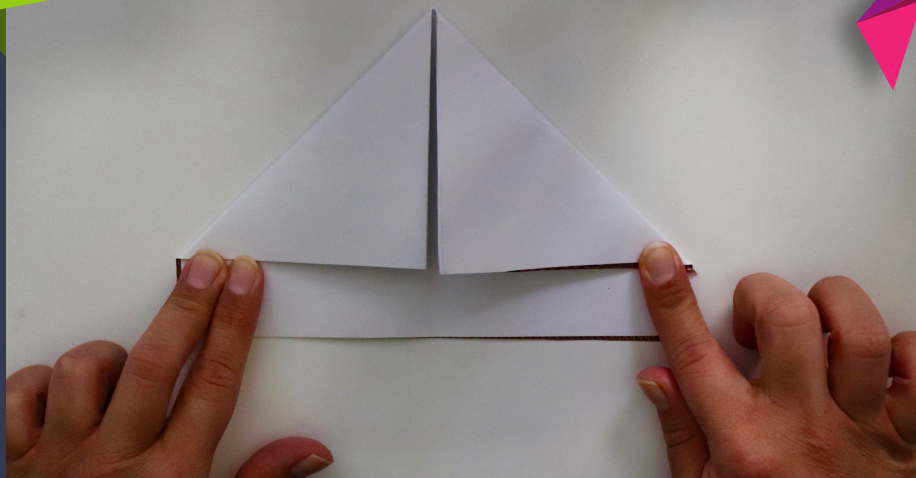

STEP THREE

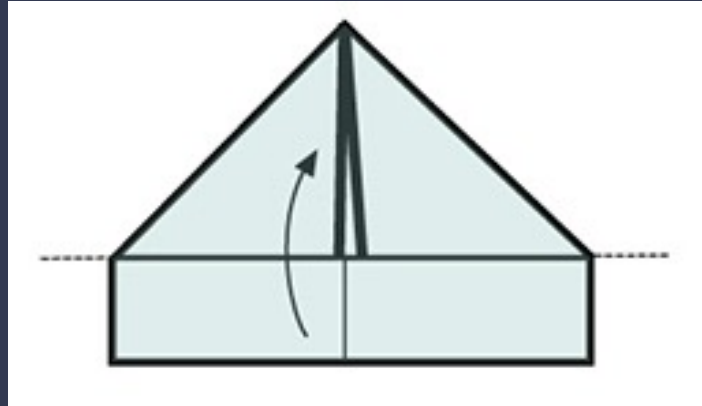

Fold in corners to the centre

RESULT

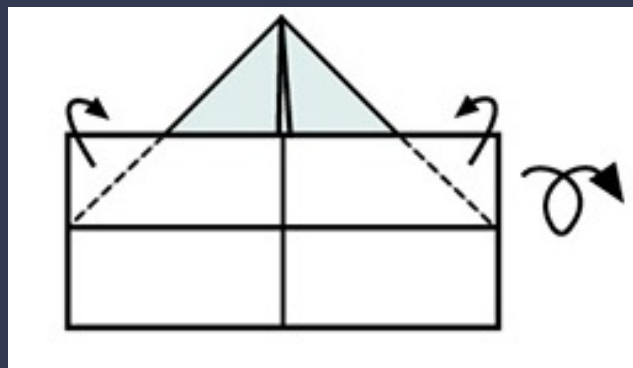

STEP FOUR

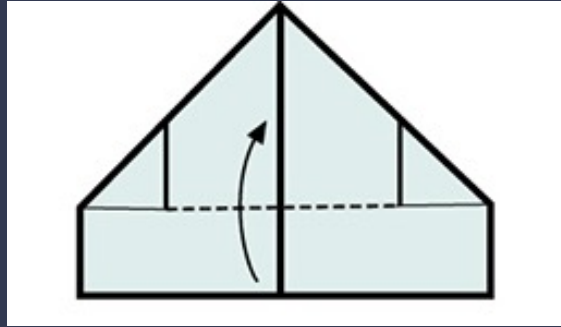

Fold the overlapping strip upwards.
Don't touch the overlapping strip on the back yet.

STEP FIVE

Fold the corners backwards. Flip over.

STEP SIX

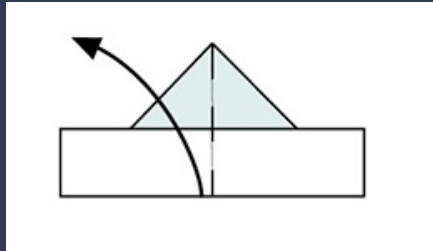

Fold the remaining strip upwards

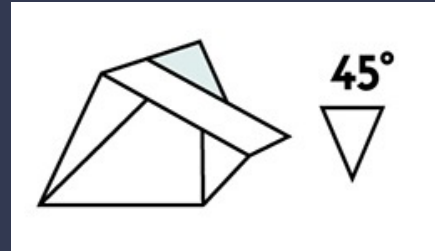

RESULT

STEP SEVEN

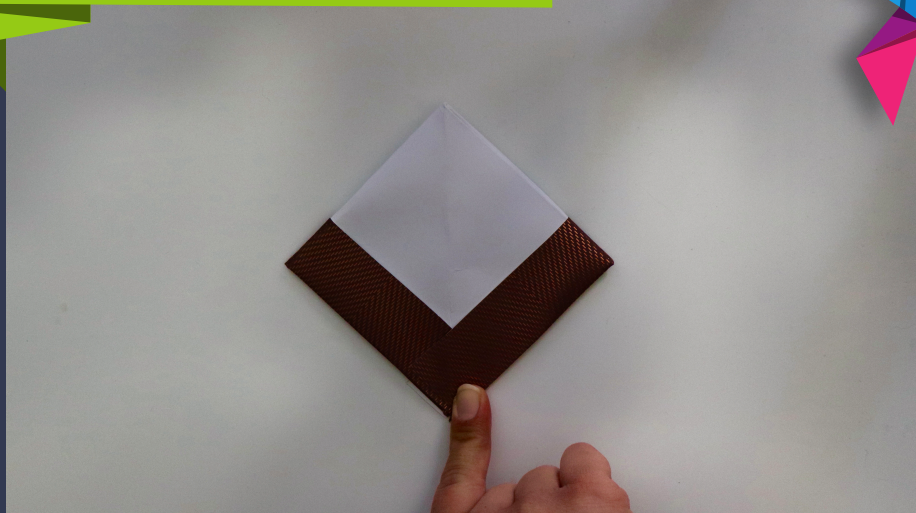

Open

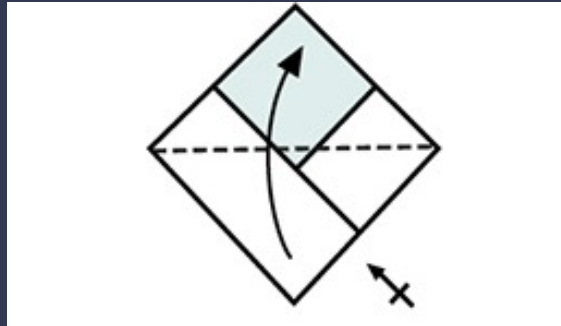

Opening in Progress

RESULT

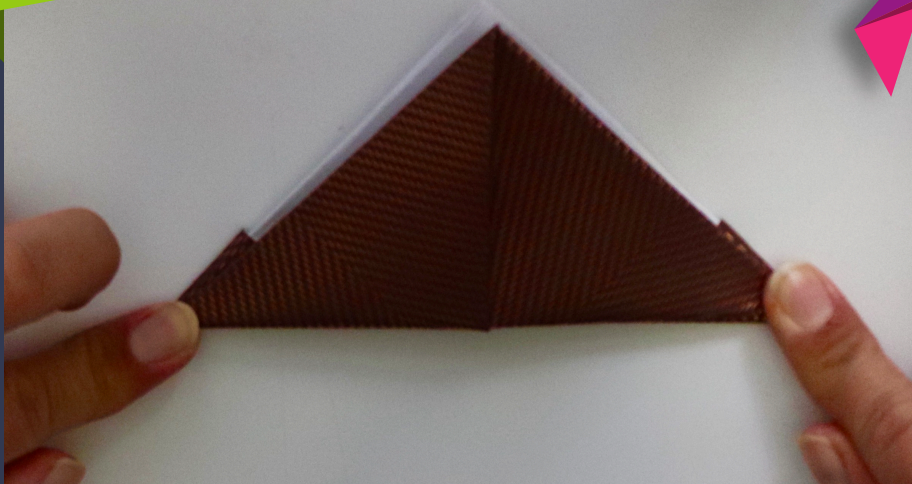

STEP EIGHT

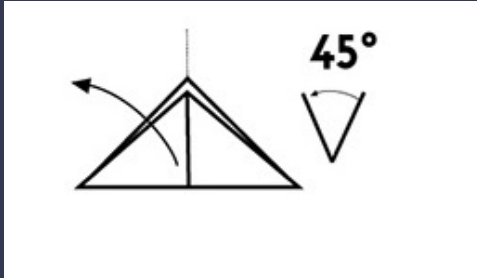

Fold triangle upwards. Flip over and repeat.

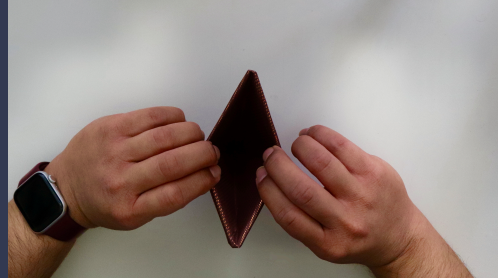

RESULT

STEP NINE

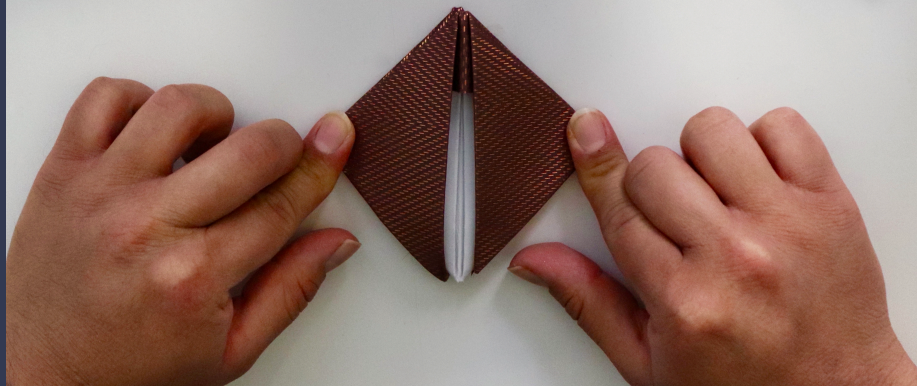

Open again like in Step 7

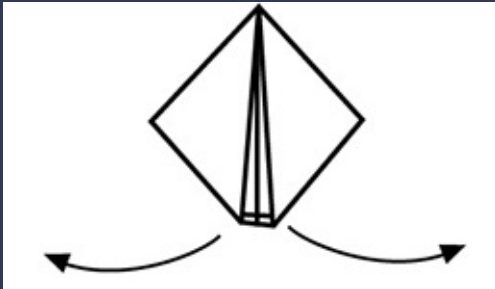

Opening in progress

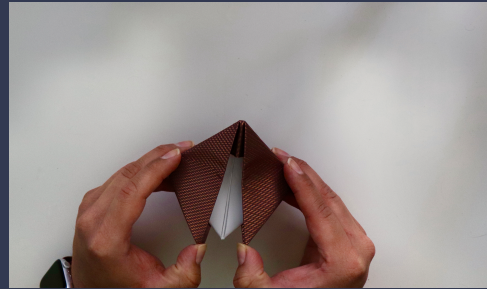

RESULT

STEP TEN

Take lower corners and stretch out

Stretching in progress

RESULT

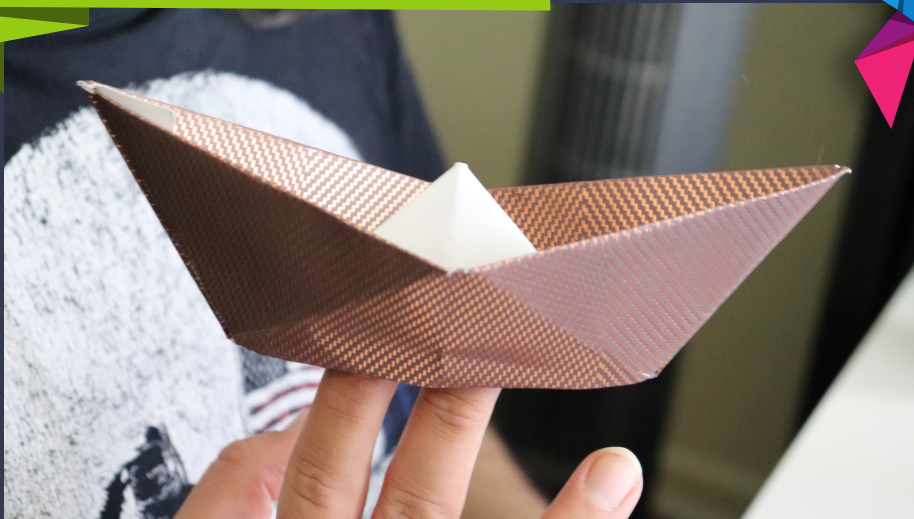

STEP ELEVEN

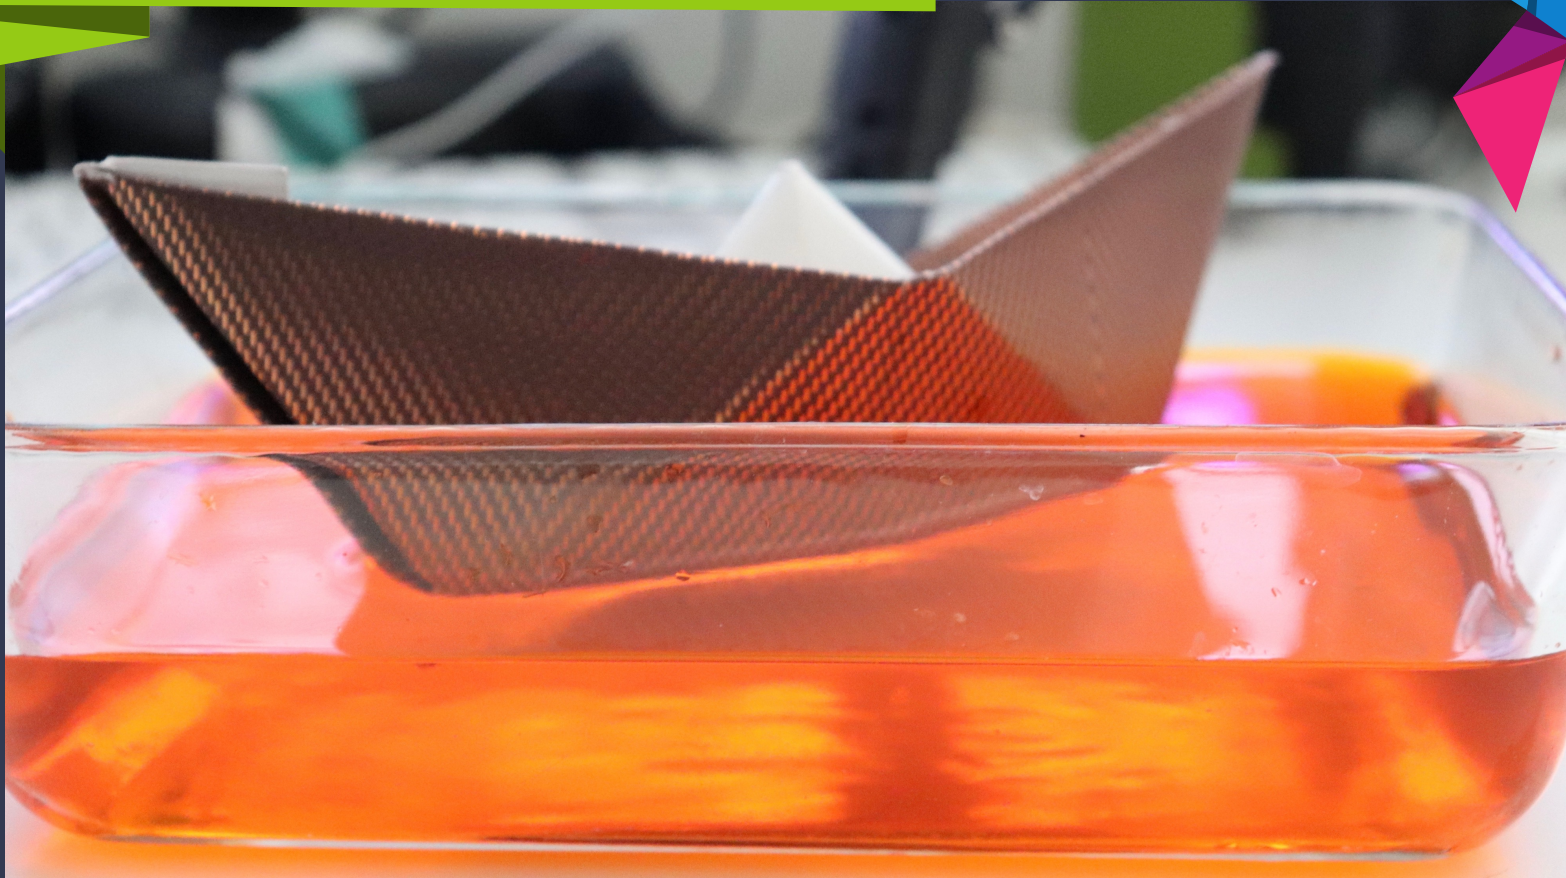

For stability, flip over and strengthen creases

RESULT

You did it!

RESULT

If you're feeling daring, float your boat in some water and see how long it takes to sink!
